Sir: ..

Pursuant to 37 C.F.R. 1.56 and in accordance with 37 C.F.R. 1.97 et seq., Applicants, through and by their attorneys, hereby wish to direct the Examiner's attention to the documents listed on the attached Related U.S. Patent Applications Form and the copies of those documents presented herewith for the Examiner's review and convenience.

By inclusion of any given document in this Information Disclosure Statement, Applicants in no way admit that such document is effective as prior art against the above-identified application under either 35 U.S.C. 102 or 35 U.S.C. 103.

Additionally, submission of any document is not to be taken as an admission of the materiality of the document to the prosecution of the present application.

The Examiner is requested to review each cited document and personally determine its prior art status.

Applicants recommend that the Examiner conduct an independent search for any and all available material prior art and independently review the results of such search and the documents cited within this Statement.

Applicants request the Examiner, in accordance with 37 C.F.R. 1.97, to indicate and make of record receipt and review of all of these documents by initialing the appropriate box in the accompanying Related U.S. Patent Applications Form. Applicants request that the undersigned receive a copy of the initialed Related U.S. Patent Applications Form.

If the Examiner refuses to consider any or all of the herein submitted materials because it is the Examiner's opinion that this Information Disclosure Statement is not in compliance with 37 C.F.R. 1.97, Applicants respectfully request that the Examiner notify the undersigned, in writing, as to the basis of such opinion.

Please charge any prosecutorial fees which are due to Kimberly-Clark Worldwide, Inc. deposit account number 11-0875.

The undersigned may be reached at: 770-587-8612.

Respectfully submitted,

BARRY J. MARSHALL ET AL.

The following commonly assigned U.S. Patent Applications are being cited to the Examiner for review and consideration. In order to avoid printing of these applications on the face of any patent issued herefrom, the applications are listed on a separate sheet of paper. Enclosed please find a copy of these applications. Once the applications have been reviewed, it is requested that the Examiner place his or her initial to the left of the identified patent application on the separately enclosed list document to indicate that the specific patent application has been considered. It is also requested that the Examiner return a copy of the listed document to the Applicant for retention in the file.
